

Risley Avenue Primary School

Sports Premium 2015 - 2016

What is the Sports Premium?

The government is providing £150 million per annum for the academic years 2013/14, 2014/15 and 2015/16 to provide substantial new funding for primary school sport. The funding is being jointly provided by the Departments for Education, Health, and Culture, Media and Sport, with the money going directly to primary school Head Teachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year. Here at Risley that will mean we receive around **£9,500** a year. Schools must spend the sports funding on improving their provision of PE and sport, but have the freedom to choose how they do this.

Amount of Sports Premium at Risley School	
Financial Year	Total
2015 - 2016	£9,500 (4,400)

How does the school decide what to spend the grant on?

At Risley we are strongly committed to PE. This is evident in the wide range of activities in and out of school that we offer, including being involved in competitive sports. We have a number of specialist staff who support us in delivering high quality provision. We recognise the importance of PE to the health and well-being of our children and the impact the PE curriculum and extracurricular activities can have on the attitudes, confidence and academic achievement of all children

How do we spend the money and what effect is it having?

Item or Project	Cost	Intended outcomes
